NOTICE

Tax Rate Levy Change

The Fire District Board of Directors approved the 2021 budget on July 14, 2020 with the following assessed valuation of \$407,439,000

12.457 mills for Operations

1.634 mills for Bond A

1.767 mills for Bond B

August 6, 2020 the budget was approved by the Board of County Commissioners with the above mill rates and assessed valuation.

On October 20, 2020, the Fire District was advised by the County the assessed valuation was dropped by \$38,000,000 due to three large construction projects within the district that went into the PILOT tax abatement program and the mill rates were adjusted to overcome a shortfall in the 2021 budget.

The following are the adjusted mill rates:

13.762 mills for Operations

2.092 mills for Bond A

1.953 mills for Bond B
